Map Pack - Lesotho & Swaziland

Synopsis

This is a combo \$27 value and sale for \$3.95. The Map pack included 2 separate maps: Lesotho 1:350,000, and Swaziland 1:250,000. Lesotho Travel Reference Map 1:350,000 scale 1st Edition. Lesotho is surrounded by South Africa, but fiercely independent. This is an adventure travel destination; inset map of Maseru. Lesotho is a compact mountainous country. Its main claim to fame are the wild mountains, especially the easternmost range, the Drakensburg. Most of the people, and the best roads, are along the western border with SA, but the most interesting part of the country is in the centre, around Thaba-Tseka and east to Mokhotlong. Swaziland Travel Reference Map 1:250,000, 1st Edition. Africa's smallest country is also one of the most scenic. This detailed map of the country shows elevations, villages, roads. It is the only map of the country easily available; inset of Mbabane. Swaziland borders South Africa and has good roads through the country. It is more pastoral than either Botswana or Lesotho. There are no major urban areas; even Mbabane is more a town than a city. Swaziland has two major game preserves, Mkhaya and Hlane, and one of the few entry points into Mozambique, in the northeast corner of the country. These countries provide a visitor to the region ample detail to explore in detail of the nicest places on earth. * Please note to all retailers and distributors, this product is NOT subject to Return or Exchange. It is well packed and should be sold as a bundle package to customers. As with other map packs that ITMB has produced, this offer is available to individuals, libraries, retailers and distributors.
