The I Ching Pack: Ancient Book Of Chinese Wisdom For Divining The Future

Synopsis

I Ching is the Ancient Chinese art of divination, and has been the most popular form of fortune telling in China since around 1,000 B.C. It has as much relevance in our lives today as ever. Every day we face decisions from all sides-at home, in the office, even at play-and I Ching helps to clear your mind and gives a new perspective to the problem or decision at hand. The I Ching Pack contains three Chinese coins and a book to guide you through this ancient form of divination. Based on whether the coins fall "heads or tails" up, a chart is consulted to give two lots of three likes or trigrams. These two trigrams form a hexagram, which will reveal how to resolve your questions or problems.
