Not the real book Buy the actual book. NOT this one. Avoid this fake version. You should be ashamed of yourself writing a fake book!

Watched the movie first so I was able to put faces with the characters. So sad that the country didn't honor Chris more. He was a true fighter for the American people.

This biography of Chris Kyle is concise. There are some spelling and grammatical errors, but it is a quick read while still providing important parts of Chris Kyle's life.

Great book.... what a man! Could not put it down. Makes you appreciate all the more what these Soldiers did for this Country. My heart goes out to their family for their loss.

More or less an outline of the original autobiography and subsequent events. Very disappointing.

Useless. Its a 8th grade reading level chapter by chapter synopsis of the real biography.

Wonderful movie. Everybody in the United States should see it. Every patriot should see it. I don't care about the rest.

He was an extraordinary man. He certainly did not deserve the fate dealt him. I am looking forward to reading his book
