## Customer Reviews

Interesting reading, take-away is that old studio-run Hollywood was one large brothel with not a lot of likable inhabitants. Many grammar & spelling mistakes, perhaps the Kindle reader doesn't transfer accurately? Jarring to a picky bibliophilic etymologist who cringes at grammatical errors, left me wondering "where are the editors?"

If you've read Hollywood Warts and All volume 1 and 2 DO NOT waste your money on this book!!! It's the same thing repeated just in a different format. The spelling errors are annoying!!! Very disappointing

It's a fun little thing - but Lots of mistakes of which I am aware, so, who knows how much of the rest of it is correct :(

Great quality and fast shipping!

No new information about about this fascinating couple but light, escape reading while killing time while you have to wait.

nothing to say about this.... poorly put together facts

Very, very interesting for anyone interested in the stars lives, some very old stars!!!

loved it will be rereading it again
