Perfect text for beginners.

Perfect

This is a highly accessible exposition of the three principal paths of Buddhism, being renunciation, the wish to achieve enlightenment for all sentient beings and the correct view (the wisdom realising emptiness). Based on a poem written by one of the most precious masters of Tibetan Buddhism Lama Tsong-Kha-Pa, the commentary is relatively brief yet lacks nothing in detail. The small size of the book makes it both a wonderful reference work and perfect travelling companion. I highly recommend this book to anyone interested in Tibetan Buddhism.
