Customer Reviews

CROCK POT: 500 Best Crockpot Recipes by Topflight Cookbooks Talks about requirements of a good crockpot and has charts about cooking times and temperatures. Lots of tips along the way. Starts with breakfast dishes. Some can be made overnight. Each recipe comes with a summary, servings, time to make, list of ingredients and how to put the dish together. Not everything is made in the slow cooker. There are no pictures and there is no nutritional information. Has a section for breads and sandwiches, Main dishes, Beef recipes, Pork, fish and seafood, turkey, lamb, vegetables, soups and stews, other soups, chowder and chili, barbecue recipes, side dishes, freezer recipes, appetizers and dips, vegetarian, desserts, sauces and condiments, paleo recipes, vegetarian sections, and other works by the author are highlighted at the end.

I got some recipes out of it that my family enjoy. What more can you ask of a cookbook?

Great for a Cold Winter Day !

Great recipes

I haven't made any recipes yet but a lot to choose from!

Good recipes for real food.

nice and easy

Yes
