For Married Men Only: Three Principles For Loving Your Wife

Synopsis

What does it mean for a husband to love his wife? Three things, says Tony Evans: a husband must act as his wife's savior, sanctifier, and satisfier. It is by living out these three principles that a godly marriage will blossom and flourish. In *For Married Men Only*, each of these principles is explored and explained using real-life examples. How can a husband be his wife's savior? By learning to love her as Christ loved the church. What about sanctifier? By dying to self and modeling sacrificial love, no matter what the result. And satisfier? By studying and serving his wife so he can fulfill her needs, just as Christ humbled Himself for our sakes. First published in 2002 as *Tony Evans Speaks Out on a Man's Role in the Home*, this booklet has sold nearly 40,000 copies. Use it alone or with the companion volume, *For Married Women Only*.

Savior2. Sanctifier3. Satisfier So before ã ã you think about throwing in the towel on your marriage, begin nourishing and cherishing your wife and watch what happens. You have a Provider in heaven who will minister grace to you where grace is needed. TONY EVANS is senior pastor of Oak Cliff Bible Fellowship Church in Dallas, and president of The Urban Alternative, a ministry devoted to promoting a clear understanding and relevant application of Scripture in order to bring about change in urban communities through the church. ã ã He is author of many books, including The Battle is the Lord's, Our God is Awesome, Returning to Your First Love, The Promise, Who is This King of Glory?, What Matters Most, and The Best is Yet to Come.

My pastor wife recommended this book and "For Married Women" My husband read this book in one night. The next morning my husband and I had a wonderful discussion about both books. We like the fact that the author referenced Bible verses and stories. These books are helping us to properly line correctly under God. I definitely see a change in myself and my husband of 16 years.

These are Tony Evans' devotions; however, this is NOT Tony Evans speaking on the CD. The man that actually does the talking is monotoned and slow and sounds nothing like TE. I wish I had known that before I made the purchase, but my husband loves the CD.

I've read other books by Tony Evans and this by far is such a good read considering how short it is. Evans paints a picture of married men loving their wives like Christ in three different ways. Read to find out. Also, the book is so good I plan on purchasing it for one of my uncles.

I love the product and would recommend to friends and family. The product arrived on time and I am very satisfied.

One of the best books I've read on marriage. And probably the shortest (which is a good thing).

This information seems out of date . doesn't hit home as a modern couples , or people with nonreligious ideals. Worth a read though.

Awesome book! Highly recommend for all married men!

I'm glad that purchased this book because it challenged what my understanding of a husband really

is. I've been divorced before and now that I am remarried I understand more of what God expects from me. I'm ready to be my wife's savior, to sanctify her, and satisfy her.
