Synopsis

When they step into the Imagination Station, kids experience an unforgettable journey filled with action-packed adventure. Customer Reviews

I live in Palm Springs during the winter months. In order to stay in touch with my grandkids each week I FaceTime them and read an Imagination Station book. We have read them all now and we

can hardly wait for a new Imagination Station book. In the meantime we need to find a new series!

Another favorite for my son! So thankful AIO is still writing these books. :o)

Great addition to the series

I picked this rating because all of the Imagination Station books can get you lost in your imagination!
