Former Rain-Forsaken Box Set

Synopsis

Former Rain (Book 1 in the Rain Series) When it rains it pours, just ask Elizabeth Underwood or Nina Lewis. They thought the unfaithful men in their lives caused their storms, but as they are forced on a journey of self-examination, they realize that something greater than a "redo right" man is needed to heal the hurts that trouble their souls. Kenneth Underwood and Isaac Walker want to rid themselves of the selfish, ungrateful women in their lives. Kenneth, a successful businessman, is planning to divorce Elizabeth, his wife of 7 years. Isaac, a man of the street and Nina's former lover, has a more final solution to rid himself of his problem. Will they allow the grace of God to heal and restore the shattered lives they have created, or are they forever destined to go through the storm?

Forsaken (Book 1 in the Forsaken Series) Pastor Jerome Tyler "JT" Thomas is charismatic behind the pulpit, charming to all he comes in contact with, and lethal to those who linger too long. Since the age of twenty-two, when he prayed for God to keep him out of prison, JT knew he would preach the gospel. Bishop Turner makes it possible; but there are strings attached, and now JT isn't sure he can stay tied down. Cutting loose causes more problems than JT anticipated. When an old friend from his days on the streets resurfaces and his "extracurricular activity" comes knocking on his front door, JT's life and the lives of those close to him spiral out of control. Now he will need divine intervention to make things right. But how much help can a man hope to receive when he feels he's been forsaken by God?

This was an awesome deal to get these two books for such a low price. I have read other books by Vanessa Miller, and not once have I been disappointed. If you need or love to read books with a strong message of hope and restoration, you will thoroughly enjoy her books.

The entire series is soooo wonderful! You will start at the beginning and not stop until you get to the last book.

All of this author's books have been very good and inspiring. Try it, you won't be disappointed! Try all of the books.

This a double set book. I enjoyed the book(s) very much. It just goes to show that God can use people to reach others and that God can change a person
