## **Customer Reviews**

This book, and Volume 2 by the same authors remains one of the classic systematic intermediate horn courses. Just as relevant today as when it was first published. It is well worth studying from cover to cover along with Pottag, Koprasch, Galley and all the other classical horn methods

Good product

The exact replacement for the book I loaned and never got back.

Fast shipping and great product!

Excellent Rubank Advanced Method music book! Kids enjoy challenging themselves and this book is the next step in their music journey. Quick processing and shipping, very pleased with purchase.
