Aloha Administrator: I received the publications almost immediately and the books arrived in good shape considering the price for most of the books which were quite inexpensive for what I originally paid for just one copy, brand new. It would have cost me quite a bit of money for the number of books that I ordered. I will distribute the books to the various fire departments here in the state and hope that the book helps their efforts to give their best deposition presentations as it has helped me over these many years. My best to your customers and Aloha A Hui Hou. Glenn Solem
