U.S. Immigration Made Easy: Understanding Immigration Law

Synopsis

Family based immigration allows certain U.S. citizens and legal permanent residents to sponsor their foreign-born families. There are two ways family-based immigrants are admitted to the United States, through the family preference system or as an immediate relative of a U.S. citizen. It's difficult to keep up with the law related to immigration. In this short book, which is delivered in both English and Spanish you'll get a simple explanation of U.S. Immigration.
