Customer Reviews

This series is fabulous! These are short, fun, quick reads filled with TONS of information. Although geared toward the 3rd-6th grade student, I have read these aloud to my younger children, pausing now and again to answer questions & find that they too enjoy these books. Great for independent reading, history assignments, or research papers. Would highly recommend these books.

Child love it, this collection is spectacular!!!!

Daughter loves the book, nice addition to the "Who Was" series

We used this book to do a Columbus Day lesson. It was easy to read, great length, and covered a lot of information. We went on to make popsicle stick boats (Nina, Pinta, Santa Maria) to further enhance our Columbus Day experience and lesson. I love the Who Was? series of books for our homeschool lessons!

This was a good book, but I think there were too many short and non-headed sentences. I still think you should get this amazing biography!

Great.

Loved this book.

My 8 year old loves these books!
