# Small Animal Dermatology, Advanced Cases: Self-Assessment Color Review (Veterinary Self-Assessment Color Review Series)

## Synopsis

Building on the great success of the author's earlier book, *Small Animal Dermatology Volume 2, Advanced Cases: Self-Assessment Colour Review* presents 255 clinical scenarios in self-assessment format. Coverage includes allergy; alopecia; autoimmune and congenital diseases; neoplasia, viral, parasitic, bacterial, and fungal diseases; and diseases related to nutrition and pigment. The cases reflect real life practice and vary in complexity from the more easily treatable to the most difficult and serious cases. The self-assessment format, featuring questions, top quality color illustrations, and detailed answers and explanations is designed to educate, not just to test. This new volume is designed for veterinary practitioners and students, veterinary nurses, technicians, and all those working with skin diseases in small animals.

## Customer Reviews

Building on the great success of the authors earlier book, *Volume 2 Advanced Cases* presents some 255 clinical scenarios in self-assessment format. Coverage includes allergy, alopecia, autoimmune diseases, congenital diseases, neoplasia, viral diseases, parasitic diseases, bacterial diseases, fungal diseases, nutritional and pigmentary diseases. The book also includes an expanded bibliography of general references. The cases appear randomly to reflect real life practice and vary in complexity from the more easily treatable to the most difficult and serious cases. The self-assessment format, featuring questions, top quality colour illustrations and detailed answers

and explanations is designed to educate, not just to test. This new volume will appeal to all those dealing with skin diseases in small animals, veterinary practitioners and students, veterinary nurses and technicians. Key Features More advanced cases covering all areas of small animal dermatology. Problem-oriented self-assessment format: question, illustrations and detailed explanatory answers. Superb colour illustrations throughout.

University of Wisconsin, School of Veterinary Medicine, Madison, WI, USA

great! amazing!!
