# Citi X 60 - New York: 60 Creatives Show You The Best Of The City

## Synopsis

Local artists and creatives offer an inside look at New York City from its famous sights and restaurants, to lesser-known and up-and-coming spots. Their recommendations include going for a ride on Jane's Carousel, viewing the art and shopping at Tara McPherson and Sean Leonard's Cotton Candy Machine, shopping for vinyl at Bleeker Street Records, stopping by Ovenly for their salted chocolate chip cookies, and dining on oysters and absinthe at Maison Premiere.

## Book Information

Series: Citix60 (Book 1)

Paperback: 132 pages

Publisher: Victionary (July 15, 2014)

Language: English

ISBN-10: 9881222796

ISBN-13: 978-9881222794

Product Dimensions: 4.9 x 1.1 x 6.9 inches

Shipping Weight: 4.8 ounces (View shipping rates and policies)

Average Customer Review: 3.7 out of 5 stars 3 customer reviews

Best Sellers Rank: #455,052 in Books (See Top 100 in Books) #138 in [Books > Travel > United States > New York > General](#) #372 in [Books > Travel > United States > Northeast > Mid Atlantic](#)

## Customer Reviews

The CITIX60 series provides guides to some of the world's most renowned design hubs - cities that lead the world in culture and design. Curated by a select group of local artists, designers, chefs, architects, musicians, photographers, and filmmakers, this is an insider's view of what makes a trip to his or her city memorable. With up-to-date recommendations on the accommodations, eateries and shops that give a city its distinctive flair, and a handy section on travel tips that gives basic information on getting around, as well as usual tours and recurring festivals to consider. Detailed maps and QR codes provide ease of travel, and a blank pages section at the back with lined and gridded pages allows for note-taking and sketching.

I have been to NY a few times before for work and to visit friends and got this little book to supplement a recent weekend visit to the city. There were some interesting suggestions about

places to eat or shop at, but the book is very incomplete on its own. The maps were terrible and difficult to use, and the suggested restaurants and activities were all scattered around too far from each other. Many of them were fairly well-known establishments one would probably find in other guide books. We had a much better time just walking around different neighborhoods and exploring on our own, but this book might be nice for someone that lives in the city or in the nearby area. I definitely saw some places that I would visit if I were spending a whole summer in NY.

useful

Love the content of this book , but it's falling apart. It was delivered with a torn cover and broken binding, and it's supposed to be new.
