great for youth and adults

Amazing book and movie :))) JESUS (GOD) is alive!!! ã â ÂÂ If you like to read this book has a awesome perspective on why some people will deny the obvious as a result of hurt, displacement and wrongfully blaming. We breath air everyday but cant see it so we do not have to physical see God (Jesus) to know that he is alive and gives us the breath of LIFE!!!

[illegible]

This is an excellent movie and it has been seen by the youth in our community and our church. People everywhere are talking about it and asking themselves whether or not they have the same strength of character and understand their beliefs enough to take a public stand. Highly recommend
