# John Paganos Book Healing Psoriasis The Natural Alternative

## Synopsis

John Paganos Book Healing Psoriasis The Natural Alternative Herbs and other natural remedies can be as effective as traditional treatments, often without the same negative side effects. Take care of your liver as much as you can by eating a natural, whole foods diet as much as possible and incorporating some of these herbs. Although we do have a seemingly endless supply of medicines today, we can still heal some of our ailments through natural means. The power of natural healing has not dulled simply because of medical advancement, and in some cases, natural remedies may be even more effective. For instance, with natural healing, we don't have to worry about harmful side effects that often accompany some of the harsh chemicals in modern medicine. Furthermore, rather than simply treating symptoms, natural elements heal by purifying us from the inside out, perhaps ultimately resulting in a greater quality of life.
