Customer Reviews

I ordered this book to study with 2 high school/ college girls. I've been impressed with how it relates to their everyday lives and mine too (a sahm). Good biblbical content and thought provoking questions.

Love it, just not exactly what I thought it would be!

Helpful and well-written. Going through this book with a group at church. Am so excited to see how God grows us!

Love this book. I am using this book as a guide and teaching to a class of young ladies at church.

Bought this Bible study for me and my teen and preteen daughters to do together. I love it!!!

I was disappointed when I received the book because the description stated that the book was a hardback and I was shipped a paper back. I love the study but just disappointed the description was

not correct.
