# The Book Of Gun Trivia: Essential Firepower Facts

## Synopsis

Offering a step by step guide through interesting gun facts and statistics, Gordon Rottman presents The Book of Gun Trivia. Covering a range of subjects, such as weapons designations, where rifles get their names from, the longest serving rifles and everything in between, this book brings together everything you ever needed to know about guns and ammunition and much more besides. Alongside the key facts and figures, Gordon Rottman also breaks apart popular myths and misconceptions about both weapons and ammunition, putting his years of military service to good use.

## Customer Reviews

Concise information and well organized for quick reference.

Excellent!!! Some wonderful snippets of trivia. A fascinating read. I really enjoyed some of the movie trivia and the myths that Hollywood purport.

Outstanding reference, lots of fun! challenge your shooting buddies with what you learn. See if they

know the difference between fact and fiction.

brought as a gift

lots of information with some bits of interesting facts about the people involved in the development of many firearms, I liked it

This book has all sorts of neat facts about guns from different points in history. Some is just plain useless knowledge that you'll never use, but there is a lot of cool facts that are kinda neat to know. I work at a gun store and it will be a great addition to my knowledge!

Nice quick read. Not much else to say. Same info already in most books like this or on the internet. Good Stocking stuffer.

great book
