Glenda A. Gunter is an Associate Professor, Co-chair of the Instructional Design & Technology programs at the University of Central Florida, and has a Ph.D. in Instructional/Educational Technology. She has a strong background in K-20 education, instructional design, digital media and technology, curriculum integration, K-12 literacy, and program development and evaluation. Dr. Gunter is the recipient of the 2010 Sloan-C Award for Excellence in Online Teaching.Randolph E. Gunter has over 40 years of experience in education and training. He has a Ph.D. in Educational Technology, has co-authored 12 textbooks, written dozens of articles, and presented at over 50 conferences. He is Chairman and Chief Visionary Officer of 21st Century Learning Solutions, Inc., specializing in online training for K-12 schools, higher education, and major corporations.

This text was required for an online class I took. I loved the convenience of being able to order it from and have it instantly on my Kindle! Also, having the choice to rent or buy on many textbooks is an awesome option to save some money. Once the rental period is up, you usually have the option

to purchase the text and get credit for the amount you paid to rent it. So if you decide you want to keep it you don't end up paying both the rental and purchase prices!

Book was in good quality when rented. Free return made it easy to give back!

Because I was technology challenged, this made it easy for me to make my transition.

book was exactly what I needed for my class, thanks!

So far so good. I am using it for this semesters technologies class.

As described

Great book!

A lot cheaper than any other opinions
