"At first I was having a lot of trouble with the time I had to put into the game. I wanted to be effective, but I don't have all day to walk around playing this game. With the tips I learned from Drake, I was able to quickly turn that around and take over my neighborhood gym. Thanks again!" --- Chris T.

--- SO grateful for the XP hacks. Once you taught those, my trainer experience shot up immediately and now I'm finding more PokÃ™mon with higher CP. (Less stardust wasted on my lower CP PokÃ™mon) XD" --- Josh B.

--- "Levels up galore and I have a bunch of high level PokÃ™mon now. Great stuff. Keep writing more please." --- Sam N.

Customer Reviews

This will answer all your Pokemon go's worries and frustrations. It is a detailed guide that goes over every nick and cranny of the game! Dives into how to find them, combat points and poke stops in great detail. I will definitely reread this so that i can become better than my friends at the game and "Catch Them All"

great help for playing game

I really enjoyed the thorough the walk-through, it helped me better understand all elements of the game! It also gave me some great strategic ideas for leveling up faster and how to use trick shots for catching Pokemon.

Not exactly a walk through. Basically just a beginner's guide. If you've played for more than a few weeks then this will not be helpful.

you can just find the information you are looking for and much more using google. waste of money, this is.

like everyone else I've been all over PokÃ©mon these past few weeks. This was a helpful guide.

Card was as described and arrived as promised.

Pretty much just rehashes the tutorial not much new information.
