The Art Of Words: Learn The Craft Of Creative Lettering

Synopsis

Bring your letters to life. The Art of Words starts with the basics (what tools and papers to use, how to form various types of letters) and then encourages you to experiment with creating your own style. This book is practical and informative with examples from the author and blank pages for practicing lettering using the styles shown. It also includes pages to color and pages with designs that allow you to put your new lettering skills to use.

Customer Reviews

Valerie Wieners is an artist who loves sharing her gift in the hope that she will point people to Jesus, the greatest artist of all. She offers many different products intended to inspire creativity in others. Valerie is married with one child. See valeriewienersart.com for more information.

I love all of Valerie's products! She has a great testimony, and I love that she shares her heart for Jesus in all she does! This book is probably the best "lettering" book I've seen! I love that she includes little pieces of artwork to clip out and use in the back, as well.
