The Complete Sayings Of Jesus

The Complete Sayings of Jesus

by Arthur Hinds
[1927]

Kindle Edition published by Evinity Publishing Inc, 2009.

Synopsis

Like the Jefferson Bible, this is an attempt to edit the four gospels into a consistent account, in this case focusing on the words of Jesus. There is plenty of connecting narrative around the instances where Jesus speaks, so this is better than simply presenting each quote out of context. The focus on what Jesus is attributed as saying makes it easier to browse the core texts of the New Testament. In this Kindle edition, the words of Jesus are highlighted in large bold text. All in all, a very useful reference, and a great read.--J.B. Hare

Customer Reviews

Love this! All of Jesus words are put together along with the place in scripture they can be found if you want to go to read prelude on your own. Wonderful book!!! I have it downloaded on my Kindle so it is very handy to be inspired by our Lord's teachings.

Great study for faith affirmation and salvation through Christ Jesus who is True King, True Priest, and True Prophet.

Nice to read all of His words in one place!

I am really happy that I bought this. I really like the way that they separate the speech of Christ in this book - better than red letters, which I find irritating to read. I do wish they'd marked the words with a line in the margin or a colored dot or something rather than just separating it in its own paragraph. I went through with a highlighter and drew a line myself, and am happy with it. Good quality, even the used book I bought has good binding still.

I was an interesting read

Sometimes it is good to be able to just read the messages of Jesus all in one place instead of having to search each Gospel. This is it!!

Wonderful compilation - all together in one book. If you simply want to know what Jesus said and aren't sure where to find it in the Bible, here it is! And it's a nice stocking stuffer for children, family and friends.

I bought this for my mother in law as a gift- It's a wonderful book that specifically targets his words
