Sweet Delights Cookies have never tasted so good...or been so easy to make. With these 41 foolproof, no-fuss recipes, you’re never more than a few minutes away from bliss â” whether you’re craving rich chocolate, warm cinnamon, tart lemon, or creamy caramel.

Brandi Scalise is the author of Cookie Classics Made Easy. She’s an enthusiastic home baker with a passion for cookies. She manages a spa in Pittsfield, Massachusetts, where she has garnered accolades for her cookies from hundreds of eager taste testers.

Easy to follow recipes for cookie baking with great results. Classic cookies and some new ones to try. What I like is if you’re short on time, these recipes are doable. Recipes are clear, there’s photo for each cookie, and links to ingredients that might not be in stock where you shop.

Love these recipes. They turn out well.

Loved making all these cookies! So simple and such amazing cookies! Yum!!!! They were a great hit in my house, the boys ate every last bit!

Perfect for a cookie cutter and supply Christmas gift.

So happy to have this cookie recipe book. It is friendly and the cookies are yummy. She author lives nearby. I read the review in the paper..

I love to bake. Especially cookies. Cookies are my go-to when I'm in the mood to get cooking. I'm always looking for new ideas to try, and the easier the better! I wasn't disappointed with this book. This book is divided by ingredient, which I found really helpful. It's my preference, and it was much appreciated. Chapters include "Chocolate Love", "Fruit and Nut", and "Sugar and Spice". There's also a handy dandy conversion chart for reference. Let's start with the recipes themselves. This is a great book for beginners. In addition to being easy, one bowl recipes (per the title), the recipes are extremely detailed, with instructions on how the cookies should look and at what stages, and tips to make a better cookie. The steps are numbered, which is also a helpful step for a newer baker. True to the title, the recipes really are easy. But, they sound delicious too! Don't mistake "easy" for "boring". There's a nice mix of cookie types here. There's something for everyone. There's even some healthier options. The photography is pretty good, but what really makes me happy is that there's a photo for every recipe. *Hallelujah chorus intensifies*. I am a visual person, and the more photos that a recipe book has, the better! Some of the most delicious sounding cookies include Hit the Trails Running (Trail Mix), By the Campfire (No Bake S'mores) and Apples Rolled in Autumn. This is a great book for new bakers, but if you're not new to the kitchen there's still plenty to enjoy. It'd be good for a room parent or someone who hosts a lot. I received a copy of this book in exchange for my honest review.

Genre: Cooking>Desserts This 96 page cookie cookbook is full of quick, easy-to-make, one bowl recipes using simple ingredients. The author lists the ingredients in the order they are put into just one bowl for quick mixing. The book begins with a few tips such as the time it takes for butter to soften naturally and cautions against using melted butter which results in flat cookies. Each delicious recipe is illustrated with an appealing picture of the finished product. The cookbook is divided into four sections. The "Chocolate Love" section has the most selections. Examples include: All-Nighter

is a rich, dark chocolate cocoa cookie that contains cranberries, macadamia nuts and coffee. Berkshire Road chocolate cookies feature a mix of almonds, marshmallows and both semi-sweet and white chocolate chips. Caramel by the Sea cookies have rich chocolate, sweet caramel and sea salt. Chocolate Almond Coconut cookies are compared to the Almond Joy candy bar made with coconut flakes and almonds. Chocolate Raspberry cookies have honey, dark unsweetened cocoa and semi-sweet chocolate chip ingredients. Other selections in the "Chocolate Love" section: Chewy Chocolate Chip, Chocolate Reese's Peanut Butter, Chocolate Sugar Cookie Cutouts. Three selections from the "Fruit and Nut" cookie section: Apples Rolled in Autumn, an apple crisp cookie that features a spicy flavor. Rum Raisin, a pure maple sugar and wholesome raisin cookie. Vanilla Walnut Pear cookie that reminds me of grandma's freshly baked pears. From the "Sugar and Spice" section: a delightful breakfast cookie called "Cinnamon Morning", made with brown sugar, cinnamon and cinnamon chips. A "Brandi Alexander" cookie features creme de cacao, brandy extract and white chocolate chips. Pumpkin Spice and Italian Wedding cookies are also included in this section. My favorite section, "All-Time Favorites", is like looking through grandma's recipe box for the Sunday dinner favorite classic cookies from childhood. Selections include: Oatmeal Raisin, Snickerdoodle, Sugar Cookie Cutouts, Noni's Old-Fashioned Spice Raisin, Shortbread, Ginger Molasses, Lemon Ginger.
