Are You Anybody?: A Memoir

Synopsis

It's rare that an actor embodies even one memorable character over the arc of a career. Jeffrey Tambor has managed to create three, beginning with Hank "Hey Now!" Kingsley on *The Larry Sanders Show*, the series created by Garry Shandling, Jeffrey's first mentor in television. He went on to find two more show creators, Mitch Hurwitz of *Arrested Development* and Jill Soloway of *Transparent*, who shared a love of actors and taught him a lot about acting along the way. *Are You Anybody?* is Tambor's chance to discuss his creative process and immense accomplishments from a life lived onscreen. Drawing from his formative childhood years, in which he describes himself as a fat Hungarian Jewish kid with a lisp and a depressive father, to how he drew inspiration from his life to create these characters, Tambor's memoir is funny, insightful, and uplifting, touching on comedy and the enduring chutzpah required to make it through life.

Book Information

Audible Audio Edition

Listening Length: 7 hours and 38 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Random House Audio

Audible.com Release Date: May 16, 2017

Best Sellers Rank: #88 in Books > Audible Audiobooks > Humor > Essays #173 in Books > Audible Audiobooks > Biographies & Memoirs > Entertainers & Celebrities #309 in Books > Humor & Entertainment > Humor > Essays

Customer Reviews

Mr. Tambor is a great guy, evidenced by this autobiography, which I found quite interesting. He is self-effacing and thoughtful, gracious and caring, and I will remember all I've read here every time I see him in the movies or on TV. I do wish he had more advice for actors. Not that I am none, just that I'd like to know more about the craft.

Jeffrey Tambor overcame great challenges through hard work, native talent and his generous spirit to become one our leading actors. His book traces his family and professional history clearly and

with humor. It is especially useful to aspiring actors and others who must overcome personal challenges.

Jeffrey Tambor, master thespian and reluctant author, offers a read enjoyable look at what led him to a respected career as a performer. Is the book worth reading? You bet your sweet Beppy!

Very good read . Loved insight of a master actor. Loved the anxiety and angst. Wonderful reading opportunity . Please write Pleased another book.

I enjoy watching Jeffrey Tambor work. His book was honest and engaging.

Entertaining

Perfect!

I laughed out loud, really. Tambor writes with a self-deprecating wit and warm regard for his craft and colleagues.
