Customer Reviews

There is only one of the stories in this book that was just so so at best but for a collection of Viking stories it was OK.

I enjoyed this set of books some more than others. I like Viking stories as well. It was a nice reading experience.

Great READ, So Enthralling I had to reason one sitting! Did not want this Book to end!!Love this Author!!

loved all the stories and authors.

Great set, loved it!

not bad read better once.

Always wait to new books and pre order!!!

A mixed bag of stories and genres, but all worth reading. Some stories were poignant, others filled with myths and legends. Spanning centuries and beliefs these stories give you a new respect for Vikings and the life they lead.
