Chaos In The Blink Of An Eye

Synopsis

It was the weekend before Thanksgiving. More than 100,000 fans were jammed inside Michigan Stadium, on their feet, to witness a heated football rivalry that had spanned more than 100 years. As the football was kicked into the snow-filled sky, they were about to get the shock of their lives, as long-foretold Bible prophecy came to pass before their very eyes, causing many to vanish into thin air without a trace. But what they soon realized was that it reached far beyond Michigan Stadium. Chaos of unimaginable proportions ensued worldwide. Shock, fear and panic filled each heart and mind. It was just the beginning of things to come, as life as humanity had known it was forever changed in the blink of an eye... The next four installments are now available. Upon being released, the fourth and fifth installments were #1 in two separate categories, for three straight weeks, on 's "Hot New Releases". Patrick Higgins is the author of "The Unannounced Christmas Visitor", "The Pelican Trees", and "Coffee In Manila". Be sure to check them out...

Customer Reviews

The overall story is a good one. Many characters are developed. The one glaring concern was the excessive descriptions. Instead of giving clear, one time views, things not needed for the story where described in painful detail. I found myself skipping large sections because of this. More concise relevant descriptions would work better.

Patric Higgins brings you into the lives of believers as well as non. You will follow them to the point of separation - the Rapture. No one is prepared for the chaos that in gulfs the world. Highly recommend.

Engaging story. I read in 2 sessions. Characters are well built and the writing is pretty decent. Looking forward to reading part two. So far, liking it more than Left Behind.

The rapture "scene" it this book is awesome! This book is a must read. Now onto the next book. A very good read.

Definitely an excellent start to this series. Good character background leading up to the disappearances. Good explanation from Patrick Higgins stating up front his tribulation theory based on scripture. Anxious to get started on the next book. Wish my children would take the time to read these as our life as we know it now is soon to change. Birth pains have definitely begun!

I got caught up in the story right away and I have already bought the next 2 books in the series. I think if you like end time spiritual books you will really like this series.

Such an important topic truly deserves more depth and exploration. Superficial exposition and stilted dialogue does little to present a the notion of the End Times in anything but the most trivial manner. Maybe it gets better...

had me on the edge of my seat
