Synopsis

Manhattan Prep™s 4th Edition GRE Strategy Guides have been redesigned with the student in mind. With updated content and new practice problems, they are the richest, most content-driven GRE materials on the market. Manhattan Prep™s 4th Edition GRE Strategy Guides have been redesigned with the student in mind. With updated content and new practice problems, they are the richest, most content-driven GRE materials on the market. Written by Manhattan Prep's high-caliber GRE instructors, the GRE® Word Problems strategy guide analyzes the GRE's complex math word problems and provides structured frameworks for attacking each question type. Master the art of translating challenging word problems into organized data through a complete review of algebraic translations, ratios, statistics, probability, and more. Each chapter provides comprehensive coverage of the subject matter through rules, strategies, and in-depth examples to help you build confidence and content mastery. In addition, the guide contains "Check Your Skills" quizzes as you progress through the material, complete problem sets at the end of every chapter, and mixed drill sets at the end of the book to help you build accuracy and speed. All practice problems include detailed answer explanations written by top-scorers!

Customer Reviews

In 2000, Teach for America alumnus and Yale graduate Zeke Vanderhoek had a radical idea: students learn better from better teachers. His vision of what test prep could be if written and taught

by great educators led him to start Manhattan Prep. Since we began, Manhattan Prep has grown from a boutique tutoring company to one of the world's leading test prep providers, offering GMAT, GRE, LSAT, ACT, and SAT courses and tutoring worldwide. We believe test prep should be real education. From our instructors to our materials, we work to teach you the skills you'll need to succeed on the test, in school, and beyond.

It is a very helpful textbook to understand how problems are solved in GRE. For me, all the Manhattan Prep books for GRE became my bible. There are a lot of exercises for you to do and a very detailed explanation for each of them.

Very good. Got good score.

changes and additions ...serves good to solve any word problems in gre

Great review book for anyone looking to brush up on this subject for their exam.
