Paula Moyer Savaiano is the proud Mimi of three beautiful daughters and eight delightful grandchildren. She was born and raised in the Midwest and has lived in many different parts of the United States. After receiving her MS degree in Elementary Education from NWMSU, she began her teaching career. She later furthered her education and obtained an endorsement in early childhood education from St. Ambrose University. Mrs. Savaiano taught both preschool and kindergarten for 15 years. Her love for young children and learning has been the main focus of her career and her life. Mrs. Savaiano has always been inspired by her mother and has focused her GRAMMA stories on actual events that occurred in her life. Of course, these events were embellished and reflect the humor that she intended. A smile, a laugh, and a GRAMMA story makes for a perfectly lovely day!
