This book has a good variety of songs in it. I think the most recent movie in it is Frozen (no Moana unfortunately. My son is obsessed.) It even has kind of obscure songs without lyrics like the theme from Up or The Incredibles or Brave. Not really into those because I bought the book to play with my

kids who love to sing and dance. As much as my son loves The Incredibles, when I start playing that song he tells me to change it. They are pretty easy to play, but I've played piano all my life. My husband is a beginner and the book is a little too advanced for him.

This book is amazing! Almost all of the songs are just like they are in the movies. I would say this is NOT a book for beginners. It is more of a intermediate-advanced piano book. It includes the vocal parts and has a wide variety of music from different movies

Great quality book. A bit on the more difficult side. Let It Go We Belong Together Married Life Almost There Dig A Little Deeper I See The Light When Will My Life Begin? Touch The Sky When Can I See You Again? Cruisin' For A Bruisin' For The First Time In Forever Strong Immortals Lava Evil Like Me Sophie's Theme Home Circle Of Life Hakuna Matata Can You Feel The Love Tonight Beauty And The Beast Someday Just Around The Riverbend Colors Of The Wind If I Never Knew You (End Title) You've Got A Friend In Me God Help The Outcasts Go The Distance Reflection Written In The Stars Two Worlds You'll Be In My Heart (Pop Version) When She Loved Me A Change In Me My Funny Friend And Me I Didn't Have You Hawaiian Roller Coaster Ride The Medallion Calls Look Through My Eyes The Incredits Seize The Day We're All In This Together You Are The Music In Me That's How You Know True Love's Kiss Les Poissons Part Of Your World Something There Under The Sea A Whole New World

I don't play piano, but my wife and daughter do. My daughter had the previous version and I bought this one for my wife. They both love this music book, and I love listening to them play the songs. Rich melodies and I'm guessing this is for intermediate and advanced players. As a Disney fan who loves the music, I highly recommend this if you have someone who enjoys playing the music. A glass of wine, some good cheese, and Disney tunes!

My daughter is enjoying this book and the large selection of songs available.
