Reminiscences Of A Seeker: Dark Face Of The White World (True Story)

Synopsis

Kapil takes you on his unforgettable true journey of the supernatural world of mystics and higher beings, unbelievable miracles and the parallel world of darkness and light, in his spiritual pursuit of seeking the ONE - who would show him the Ultimate Divine. A series of events catapults Kapil into the fascinating world of Dark Arts and suck him into the quagmire of drama, suspense, greed and betrayal. And just when the trials and tribulations seem to engulf Kapil completely, there emerged from the deepest darkness, a Brilliant Light of his True Master. The existence of the paranormal world is as much real and any ordinary person can get caught in that world unless one is careful. We belong to such a period of time wherein innocent seekers are lured into the trap of so-called "Masters" who fool them easily by playing onto their deepest fears and weakness. The book hopes to save people from making that false step and even if one does commit that mistake, the book offers hope that it is not the end of the world; one can always get to the Light. A thrilling true account of an ordinary man plunged into extraordinary circumstances of the Dark World.
