Glorious Appearing: The End Of Days (Left Behind Series)

Synopsis

Thousands of years of human history stained by strife, death, and sin come to an end when the King of Glory returns to earth. The satisfying conclusion of the seven years of Tribulation covered by the Left Behind series portrays the return of Jesus Christ to earth in both glory and judgment. At the height of the battle between the forces of evil gathered at Armageddon and the remaining Christian believers at Petra and Jerusalem, nothing seems to be able to stop the Antichrist, Nicolae Carpathia. But God has another plan. --This text refers to an out of print or unavailable edition of this title.

Jesus returns at last in this 12th novel in the phenomenally popular Left Behind series, vanquishing his foes and ushering in a new millennium of peace and righteousness. Ray Steele is the only member of the original Tribulation Force alive to see it, however, since Buck Williams endures a bloody death in the opening pages. The novel's pacing suffers greatly from its own foregone conclusion. Antichrist Nicolae Carpathia, once a fearsome and suave foe, is reduced to shrill hysteria in this installment, and seems more of a cartoon character than a credible instrument of Satan. And the final wars (there are four of them in quick succession) add no drama to the plot, since believers are by that point impervious to harm; neither the bullets from the Unity army or the supernatural lightning raining down from the sky can touch the Christian holdouts. It must have been difficult to imagine the words that Jesus would speak on such an occasion, but the authors' ;

We love the Left Behind series of books and had the entire set, but had sold Glorious Appearing at a time when we needed some money. Now that I was re-reading the series, I HAD to get another Glorious Appearing (can't leave myself hanging!) and found one in excellent condition at .com. If you haven't read the entire Left Behind series, you would be smart to do so! You don't have to be a Christian or even a churchgoer to enjoy this fictionalized account of the end times (are they fast coming upon us today?), the Tribulation, the Great Tribulation and the Glorious Appearing of our Saviour and Messiah and Redeemer, Jesus the Christ! Based on Bible passages and accurately foretelling of these times to come in history.

Some parts of this book I would consider to be highly unlikely, and perhaps inaccurate, especially the way that some of the main characters experience the Glorious Appearing differently than the others. Some parts like having everyone run supernaturally to get to Jerusalem are probably highly unlikely, but it is very exciting. Other parts like the injured being healed instantly when the Glorious appearing begins is probably very likely. Like "The Remnant" there are really too many characters involved. It can be hard to keep track of them. Since this is the book when the AntiChrist and all other wicked people are finally brought to justice, this makes it very satisfying. But they point out the fact that this is justice, and not really victory or rejoicing. It's unusual having JESUS involved. It's one thing to have entirely fictional characters involved, but having JESUS, as well as real angels involved makes it unusual, and somewhat questionable. I think it's important to remember that this is not exactly how it will go, it will be similar, since it's based on prophecy, but it may turn out to be significantly different. But for that matter, it's pretty much the same thing with all of the prophecies that are played in the Left Behind Series.

I love this Left Behind series. It's a radio drama so each character is a different actor. There are background sounds to help you imagine what's going on. I've listened to this series 3 or 4 times over the last 10 years and it's still just as good. Collect this whole series and listen on a road trip or on your commute to work. You won't be disappointed!
