A fantastic book that I have really enjoyed. The characters are honest and wish to do what is right and proper. They have some hard times but they live through them.

I loved this book from beginning to end. I couldn't put it down until I finished it. Please hurry with the next one

A group of sisters having a drunk for a Father and their Mother ran off went to live with an Uncle who cred for them. The girls went out to work at different jobs where they could find work. Some evil men came to town to take the ladies for themselves only the Mayors Son cared for the maid and rescued her. A must read for the things that happened to the girls. A great book from at a special price and from a duo of authors who keep me wondering what next for the characters.

Another great short read by Indiana Wake! I have truly enjoyed all of the books in this series. They are filled with adventure and romance. Another one of Doc's niece's is about to be married to the mayor's son. Honoria has been kidnapper by the McAllister's the US Marshal is go7ng after her to try and bring her back. The Doc is unconscious due to being attacked. I'm looking forward to the next book. I highly recommend this book!

This is another great book. I can't wait for another one. What is going to happen to the last girl Honario? I hope another book comes out soon that tells what happens.
