Grade Level: Preschool - 3

## **Customer Reviews**

I'm always a big fan of these sticker books, I have purchased many before this and will probably continue to buy many more. Some books have less pages/stickers than others but this seems to have quite a bit. Beautiful as always and I have never had a problem with them not sticking to anything.

Cute mini-stickers that I am using for envelope flaps. The images are just a tad blurry but that may be due to how small they are. I like the variety of designs. Overall, a nice collection at a good price

i love these! So cute, so precious, i use them in letters and post cards, i love them.

Great value.

Great stickers for cards and journals! All unique and colorful! Can't beat the price for the quality! I would Highly Recommend!

The stickers were very pretty, but did not hold to paper without adding additional glue.

Arrived quickly, in good condition, and was what I expected. This tiny size is so versatile. I love them!

Not sticky. Grainy graphic.
