## **Customer Reviews**

This book was an enjoyable read, but it also has yielded incredible results for me RIGHT AWAY! I am a reiki master, and I found a gorgeous 2.5 acre property in Green Valley, CA outside of LA proper I wanted to convince my husband to purchase for a summer home (we live in Scottsdale, AZ). When we visited the home the first time, the realtor explained there were a number of items still in the home which belonged to the deceased couple who had owned it. One of them was the painting pictured which I instantly recognized as having been seen before. When I was a young child, my paternal grandmother had that very painting displayed behind her living room sofa. "That couldn't be," exclaimed the realtor, "See there, she signed her name to it. Connie Tillman." Disappointed, I considered that perhaps I was mistaken. Later that evening, I sent a photo

of the painting to my brother. He confirmed that he also recognized it as the same painting Grandma had loved and displayed. After our offer on the home was accepted, we returned to it for the inspection yesterday. There were many things wrong with the house, and my husband was ready to cancel the whole deal. I knew having this painting in the home was a sign to me that this was to be our house. Incredibly, after sitting in the living room, asking the universe for a sign for my husband to show HIM this was IN FACT to be OUR house and saying a few of the words of power in the book and looking at the sigils, I was guided to return to the painting, and turn it around! Sure enough, there was an article attached to the back which showed she had copied a famous painting. It had the title as well as a description of the characters, the story/message, etc. The sign for my husband? Well, this article was written in 04/1997 by a man named DAVID STEWART which happens to be my husband's name!!!!!! After that, he was convinced except that we could not find a contractor willing to travel to Green Valley in time to give us a bid on the necessary repairs by our deadline next Tuesday. This morning, nearly in tears, I looked at my book again, and I recited the words of power for "bringing people into your life who can help you" while looking at the sigil. Incredibly, almost instantly - after receiving no after no after no came a yes!!!! Later in the evening came another Yes! Now we have someone coming tomorrow morning and another on Monday. Namaste! So filled with gratitude. Thank you Embrosewyn for writing this book, and thank you Universe! I wish to study Celestine Light in more depth. I so wish you did private lessons. I would gladly fly to Oregon to learn more from you directly. In Light, Reiki Master Kate

This was a very good read, something that I will utilize and use in just about any of every occasion. The words of Power and sigil used for anger or to help calm down worked pretty much immensely. One thing that has continually helped me is to use the words of Power slowly and even mentally, think and visualize the sigil in your mind's eye, it will help materialize your desired effect. Embrosewyn is a fantastic author, this book will help you with pretty much anything you are struggling with. I love this book and wish everyone had access to it to help with whatever is challenging for them. I highly recommend this book for everyone, and be open minded with what you are learning.

I bought a Kindle version and right away read almost the whole book, while trying to familiarize with sigils and pronunciations. During the process and at certain times I felt a little bit weird but that's all. Next day in the morning I tried a number of words/sigils combinations and gave it several hours but nothing happened so I assumed that I basically wasted seven bucks which is not the first time, and

it is not a big deal. To be honest, I didn't expect for some big miracle to happen in just few hours but I expected that slight pleasurable magical feeling which I usually have when magic is real and something magical is about to happen (now or sometimes in the future). But then, that same day (evening hours) I did a short ritual with angel Ravchiel (from some other source) felt almost nothing, and went out for a walk. During the walk, I noticed few waves of negative thoughts bothering me and decided to give it another try and use "Stop thinking negative thoughts" words of power. So basically I was walking and at the same time looking at sigil at my phone screen, while whispering the words of power. It took me less than 20 seconds and then suddenly, I felt slightly pleasurable feeling in my heart chakra, which during next two hours turned to full blown ecstasy experience which I felt in my whole body. I can't really tell what exactly triggered such an experience, but now I'm sure I didn't waste money on this book. Not at all!

Powerfully info. Read it with an open mind and be ready for the celestial light coming your way. Remember coincidences happens to your advantage.

I used the creativity sigil. For the first time in my life, I can actually see pictures to paint in my mind. The lost or hidden sigil I used to find a bolt I lost while working on a vehicle. This is definitely a win win book everybody needs in their house.
