love this series

Fabulous!

I love this graphic novel to death! i must have read the three volumes over about four times each!! But how many vols are there going to be in total? Assuming i could go to Raythe Reign's website, pay \$9 per month and read the whole novel in one go at a much cheaper rate - and less time wait - but i guess that takes away the main reason for buying/reading it as a graphic novel. The story is very interesting but painfully slow in the romance department. All I'll say is the 'wait' better be worth it :)

Reading this chapter has put what the dark prince sees in young Adein . Well I give the part five stars very well done. Can't wait for the next part.

Great manga but wonderful writing. Could use a grammar check but I was mystified by the written story. Great job!

I can't wait for the next volume to come out! This story is really captivating so far and I am looking forward to reading them all!

It was grate I loved it can't wait till I find the next one I hope . It just as good the other three be for it

I loved the whole series that I have. Can't wait for more to come out.
