The Original Dog Tarot: Divine The Canine Mind! (Original Pet Tarot)

Synopsis

Want to know why your dog shreds your slippers but ignores his designer toys? Does your pooch really want a puppy for companionship, or are you delusional? *Â The Original Dog Tarot* is an entertaining, tongue-in-jowl deck of tarot cards and accompanying book affectionately written for dog lovers who want to divine their canine's mind. The 30 cards are a takeoff on the traditional tarot; they're divided into the Major Barkana and Minor Barkana. Each card offers advice for both canines and the humans in their lives. You don't have to be familiar with traditional tarot to use this deck. It is a witty and wise stand-alone oracle for anyone who has given up mastering the techniques of *Â The Dog Whisperer*.

Some people have complained at the amount of cards in this deck. It says right in the "read more" section of the item's information: "The 30 cards are a takeoff on the traditional tarot; they're divided into the Major Barkana and Minor Barkana. Each card offers advice for both canines and the

humans in their lives. You don't have to be familiar with traditional tarot to use this deck. It is a witty and wise stand-alone oracle for anyone who has given up mastering the techniques of The Dog Whisperer."This is an oracle deck, not a full Tarot. This is a fun deck that is great for playing with your dogs with, and it's wonderful to pull a card to focus on throughout the day. My first card draw was surprisingly accurate. Whimsical art, fun play deck. That's my opinion.

I'm not really into using Tarot cards, but I thought it was a cute way to pass the time with friends. The artwork on the cards is fun to look at also. For anyone who knows how to use Tarot cards or who would like to play around with a Tarot deck, this one is a good quality. Who knows, there may be something to it if you can understand how to use them correctly.

Being a dog lover and interested in Tarot I ordered a couple sets as gifts. The recipient of one deck was ecstatic, sharing my appreciation for the quality and content. The guidebook included with the deck is comprehensive and informative. Very well done! I ended up keeping the second set. Highly recommend to anyone.

I got these to use as a fund-raiser for a rescue operation at fall fairs and even adoption events; thought readings would be something very fun and different.

The person I got it for thought it was a lot of fun so I was happy with my choice of present. The cards are amusing and they prompt the user to think of solutions tailored to how well they know their dog or themselves. By chance, some solutions are amazingly accurate which adds to the entertainment value.

I have been an intuitive counselor, telepathic communicator, psychic medium for many years. These cards are a wonderful addition to my personal life and my business doing pet readings. Dogs really do bring a spiritual essence into our lives. They have much to offer us. These cards are remarkable in intuitive readings and communicating with your beloved canines.

super cute!

Great to use as an ice-breaker and fun to use with adolescents. Their imaginations and creativity are certainly tapped into!!
