God's Armorbearer: Running With Your Pastor's Vision Volume 3 (Armor Bearer)

Synopsis

THE ARMORBEARERS OF TODAY WILL BE THE LEADERS OF TOMORROW. Terry Nance, author of the best-selling book God's Armorbearer Volumes 1 and 2, reaffirms that the local church is God's idea--not man's--and that this is the day of a great harvest in which millions will need to be trained in the Lord. In God's Armorbearer Volume 3 you will learn: * How important it is to get plugged into your local church. * How to get out of the comfort zone and develop your gift zone. * How to become Kingdom builders and not empire builders. * How servanthood is the key to unlocking your destiny. God's Armorbearer Volume 3 shows how the local church will play a major role in this last day move of God in preparing the way of the Lord.

Terry Nance, in the sequel to God's Armorbearer, champions the local church and its leadership, focusing believers on the traditional, time-honored values of the local church. He reaffirms the place and position of the local church in our lives. In a day of apathy and indifference, Nance calls us to faithfulness to our local churches, pastors, leaders, and congregations in an effort to more effectively impact our local communities.

Terry Nance is a graduate of Southwestern Assemblies of God Bible College and Rhema Bible Training Center. He served 23 years with Agape Church Little Rock, Arkansas as the Senior Associate and Executive Director of Agape Missionary Alliance. Terry is now President of Focus On

the Harvest Ministries. His vision is to raise up a new generation of leadership within the local church to stand Armorbearers with their leaders to reach their city, state, nation, and world. This ministry is revitalizing the local church through the Armorbearer Leadership School which he conducts weekly in all denominations. Terry has authored several best sellers, inspiring hundreds of believers to stand with their leaders in faithful service, to help fulfill God's vision and to submit fully to the Lord.

It is an awesome study. It is plain to read, yet evaluative. It is convicting, yet encouraging. I use the study guide to create lessons for each weeks class. My adult and teen students did not want to transition from the class. Thank you Terry Nance, who I had the opportunity to meet at a workshop.
