Customer Reviews

The Berndtson & Berndtson brand, a cartographic publishing company established in 1988 in Germany, makes tough, long-lasting maps with patented, non-toxic, environmentally responsible lamination material.

Got this map new in summer '07 on for less than \$10 + S&H & found it to be excellent for driving the island. Has great detailed map of downtown Willemstad, also a map of Willemstad + suburbs, map of Christoffel Park, map of Caribbean in general and small map of Aruba, Bonaire & Curacao. Complete with all Curacao beaches marked, snorkel & dive spots, all bays and Bays and all major & minor points of interest on the island. It's coated with plastic so fairly waterproof. Minor roads not marked with names, but at least you can figure out where you are if you get lost on the island

because proper road signage is miserable in some parts of the island. Brief info on island printed in English, German, French, Italian & Spanish. This map has everything you need to know for traveling by car on Curacao.
