Customer Reviews

Very nice mix of drawings to color. I really like this coloring book!

my preference - the areas to color in are way to tiny

loved the quality of this book. the cover is thick with a nice matte finish. The pages are one sided, thick with clear images for coloring. This was a nice pick at a great price.

Have enjoyed the time spent in coloring the pages. Only disappointment is that the pages do not tear out of the book easily. Would help if the were perforated oolong the edge of the spine.

very satisfying pages to color.

nice but did not get th Crayola colored Pencils 50 count with the 2 Books

I really like this book

A++++
