Monster Musume Vol. 12

Synopsis

This "New York Times"-bestselling manga series for ages 16 and up presents the classic harem comedy with a fantastical twist: the female cast of characters that tempts our male hero is comprised of exotic and enticing supernatural creatures like lamias, centaurs, and harpies! 5 x 7 1/8.

Customer Reviews

OKAYADO is a Japanese manga artist best known for his New York Times best selling series Monster Musume and 12 Beast. He recently visited North America for the first time as a special guest at Anime Expo 2016.

I was a bit concerned about the new Monster Musume volume. Volume 11 had a great opening story with Mii's job hunt but the second story seemed a bit overdone. Fortunately, Volume 12 came through in a big way. After getting out of last volume's cliffhanger, Ms. Smith decides to send the gang to the Interspecies Cultural Exchange Exposition. She says they'll be safe in the crowds, but she's got an ulterior motive. Fans of Papi will be happy to see her take a starring role when she strikes up a friendship with a monster girl named Curie (which thanks to a similar Japanese word, Papi hears as "Cucumber"). The problem is that Curie seems to be the rogue liminal the Mon Squad is after and she's a vampire as well. Despite Papi's not being too bright and having short term memory issues, she does show she can be a great friend in a bad situation. We also see Polt,

Cathyl and Merino doing exhibits. Draco tries once again to attract Miia and suffers another embarrassing failure (does anyone else wonder when Draco and Lilith will figure out that they just might be made for each other?) All in all, Volume 12 preserved Monster Musume's status as my favorite ongoing manga series.

an interesting book, my son loved reading this volume. The whole vampire part was interesting, though it was a nice cliffhanger with the slime in the tanker part

It's pretty cool if you like Papi, I guess. But the best girl has gone unnoticed for far too long.
