Phoebe And Her Unicorn In The Magic Storm (Phoebe And Her Unicorn Series Book 6)

Synopsis

The first Phoebe and Her Unicorn graphic novel! Phoebe and Marigold decide to investigate a powerful storm that is wreaking havoc with the electricity in their town. The adults think it's just winter weather, but Phoebe and Marigold soon discover that all is not what it seems to be, and that the storm may have a magical cause. To solve the case, they team up with Max, who is desperate for the electricity to return so he can play video games, and frenemy Dakota, who is aided by her goblin minions. Together, they must get to the bottom of the mystery and save the town from the magic storm.

Age Range: 7 - 12 years

Grade Level: 2 - 7

Customer Reviews

"...Weathering this storm should leave readers on cloud nine." (Kirkus Reviews)

Dana Claire Simpson grew up in Gig Harbor, Washington, drawing the entire time. She eventually graduated from The Evergreen State College, despite having spent all her time drawing, and not always for credit. Attempts at doing real work along the way are hardly worth mentioning; the relevant fact is that, from 1998 to 2008, she drew the internet comic strip Ozy and Millie. After winning the -sponsored Comic Strip Superstar Contest in 2009, Andrews McMeel Syndication signed her to a development deal for Heavenly Nostrils, which was later renamed

Phoebe and Her Unicorn. She currently lives in Santa Barbara, California, with her tech genius husband and her fairly stupid cat.
