Customer Reviews

Jack Handey is an American humorist and author. He is best known for Deep Thoughts by Jack Handey, which appeared on Saturday Night Live. His other books include The Stench of Honolulu, What I'd Say to the Martians, Deeper Thoughts, All New, and Deepest Thoughts: So Deep They Squeak.

Reminds me of my teens and 20's. One of my favorite parts of SNL back in those days. Bought it for my sis for Christmas and she thought it was one of the best gifts she had gotten - even read a bunch of them aloud to the rest of us. Actually brightened a rough Christmas this year.

Jack Handey, is always amazing. I have quoted him in my highschool yearbook, facebook profile, twitter, and even a college paper. Any Jack Handey makes a great book and a great easy read when you need to cheer up or tickle your brain a little. One of my all time favorite comedy writers, greatly under recognized and under appreciated.

Great book... I can still hear the narrator saying "And now Deep Thoughts by Jack Haney" SO

FUNNY!! Delivery was disappointing although I used standard shipping Book Depository US. Ordered March 27 received April 13th. It just took so long to receive! But absolutely love the book!!!!

If you need a quick pick-me-up or a laugh out loud moment...this is the book for you.

Funny book. This is a good little thing to have on a very small coffee table, or to give to a friend. I purchased it because I had heard it was an excellent book to use as a primer for writing stand-up comedy. Apparently several comedians out there in the world have used this series of books as a framework for designing stand-up comedy, and silly situations. I highly agree.

Well this was a lot less than I expected but I guess it's my fault for not looking more closely at the dimensions. It's a very small & thin book. I purchased this as a Christmas gift for my husband but now it's a stocking stuffer. I'm sure he'll still get a kick out of it.

Hilarious book! The smaller size makes it perfect to keep on a coffee table or the corner of your desk for others to pick up and quickly skim through.

A funny book for those who appreciate Handey's humor. Some will not. My husband knows Handey from SNL and enjoyed revisiting old favorites and discovering new ones. NOTE: this is a very thin, small book. If you mean to give it as a gift, you may feel it is inadequate on it's own.
