The Story Of Canada (Illustrated)

Synopsis

This excellent short introduction to Canadian history covers the span of history from the early settlements of Cartier and Champlain to the early years of British domination. Richly illustrated to enhance the reading experience. Contents include: The Early Discoverers, Samuel de Champlain, The French in Acadie, Concerning Jesuits in Canada, Canada as a Royal Province, A Half-Century of Conflict, The Loss of New France, Early Years of English Dominion, The Growth of Canada.

Customer Reviews

I know very little about the history of Canada so was pleased to find this book. However, it frequently read as though it was written in a language other than English and then not given the smoothest translation. I would still recommend it as a useful overview of New France and then Canada history.
