Customer Reviews

Fine book for bed routines. I just thought the book would talk about all the great things God designed for the night so a kid would not be afraid of the dark/night. In that respect, the book did not meet my expectations. I always love this artist.

Cute story! My kids received this as a gift and have loved it over the years. A friend had a baby and said friend is scared of the dark, so I bought her this a tongue-in-cheek gift to go along with some other things I bought for her shower (which is why I didn't mind it being used). The story has nice rhymes and prepares children to settle down for the night for sleep. The reoccurring theme is the title of the book.

We have had this book for about 5 years. My son loved it from age 2-4, now my 2 year old daughter loves it. This is the last story I read to her every night (she insist that this one is read last). We have read it so often she has parts memorized, and reads along with me. My kids have also enjoyed other books by Little Blessings.

This is a delightful little book to read to a child at the end of the day. The charming illustrations and sweet rhyming text are comforting and upbeat. Everything about nighttime is considered a special gift from God, taking away the fears some children may have. Great book to give as a gift, too!

Every night we read this book to our two-year-old son. We read it to him before he takes a nap. We read it to him to get him back to sleep if he wakes up in the middle of the night. He loves it. The book is straightforward but very cute.
