Great book, we used a lot on the Construction Law class at Georgia Tech. We don't totally based on it, so it's very handy to have a professor to help understand the different topics.

Promptly came to my door. Brand new book.....no marks... The material itself is easy to retain.even for the busy college student. ..

It's the truth...

Great book

I took Con Law as part of my graduate course work. The professor wasn't that much of a help. This book basically got me through the course. Well written, using mostly layman's English as opposed to convoluted "legal-ese"
