# Peter Pan (Graphic Revolve: Common Core Editions)

## Synopsis

Peter Pan is a special boy. He can fly. He doesn't grow old. And he comes from a magical island called Neverland. So when Peter shows up at the Darling residence, Wendy and her brothers are all too eager to follow Peter on an adventure of a lifetime. But the Darlings find themselves caught in the middle of a battle between Peter's gang of orphans, the Lost Boys, and a band of pirates led by the treacherous Captain Hook. Will Peter be able to protect the Darlings while leading the Lost Boys to victory? Or will Captain Hook make Peter Pan walk the plank? These full-color graphic novels feature enhanced Common Core State Standards support, including discussion and writing prompts developed by a Common Core expert, an expanded introduction, and bolded glossary words.

## Customer Reviews

i am a 11 year old girl and I read this wonderful book. I enjoyed it very much but only recomend it for ages 10+. I cried at the end of happiness. A very deep book for children and much more education than most children books.It was also more touching and emotional . most books, even good books are not as worth buying as this one. I hope you have found this review useful and I would very highly recommend this book.

What a wonderful way for an adult to loose their self in fantasy and whimsy. A welcome relief from adulthood.

Wonderful book... but definitely not for young children! This is the original story... not the Disney sugared up version!

Great delivery very happy with my item

I've read the store many times over the past 5 years because I teach it in my 3rd grade class. Having the unabridged audio of the book is an extra special treat. It brings to life passages that may have gone by unappreciated or not understood when someone is trying to read it for the 1st time. This is sure to be a great tool in my classroom!

I've always wanted to read this book. It's been very entertaining so far.

I LOVE this book! Wonderfully written and a great read for all ages.

Can't beat free
