Jean Watanabe Hee is a retired elementary school teacher who taught in Hawaii for 34 years. While she loved teaching, she found a great satisfaction in being able to spend more time with her family and cooking in her kitchen. Hee began organizing great-tasting recipes that she had collected from family and friends over many years. Her first cookbook, Hawaii's Best Mochi Recipes, was a bestseller and led to her popular series of mostly easy-to-prepare local recipes.

Every single recipe in this book is a hit. Every single one. I'm not great in the kitchen....but these recipes are making me seem like a culinary star to my friends and families. Cookbook is worth buying for the melt'em cookie recipe alone. Tastes just like Maui Cookie Company.

This book provides a taste of home, some 4,000 miles away. Brings back memories of cherished childhood dishes Mom and Aunties used to make. They're no longer around to teach subsequent generations, so this is a treasure trove!

Great book. Most recipes as my husband remembers them. Arrived timely. Worth the price and I would recommend for beginners cooking Hawaiian dishes.

Looking for Huli chicken recipes and did not find. Otherwise a great book!

Love it! Good source for local cooking  
Pro: easy to understand and good variety of recipes  
Con: wish they had a pic for every recipe

This is truly the Best of the Best recipes. Try the beef stew and the chili. Delicious!!!

Great book. I have a few of her books and they all do represent Hawaii cooking. Would recommend it for people who want a touch of Hawaii recipes.

Good reading and Delicious recipes!
