## Customer Reviews

This was a great guide because I'm a new mom and I wanted to find a place to travel with my son where we could enjoy outside adventures. This book was so family friendly and I really appreciated that detail. I can't wait to visit Jackson.

This Winter Guide to Jackson Hole has everything you could possibly think of to make your adventure the best in the Winter ! It is written by a local author, so she knows the inside scoop on everything ! The guide is very simply organized by topic and easy to read. There is heaps of very practical information and useful tips from where to stay, eat, shop, mailing your gear, etc. It's a great deal and handy to have on your Kindle when you travel !
