The Gambia (Bradt Travel Guides)

Synopsis

Small in size but rich in African character, The Gambia and its resort-dotted coastline offer perhaps the closest English-speaking *Ã¢â€œwinter sun* destination from Europe. The interior, dominated by the lush jungle-fringed Gambia River, is home to plentiful birds and monkeys, time-warped traditional villages and mysterious megalithic sites. Bradt's *The Gambia* reveals all the background and practical information needed to explore arguably Africa's most welcoming and safest country, alongside detailed coverage of the many new eco-lodges and informed advice on the country's bird watching possibilities. *Ã¢â€œ*

Customer Reviews

Philip Briggs is a world renowned expert on Africa and is the author of 14 Bradt guides over a 20 year association.

I have read 4-5 books on The Gambia, and Phillip Briggs is the most comprehensive, informative and simultaneously entertaining. He brings the country to life and the fact that he has lived much of his life in Africa gives him a perspective that many authors cannot replicate. Briggs's work is a meld of academic work and travelogue that is refreshing and inviting. 5 stars for sure!
